

Nice one Mate,

A guest's letter to God from The Fathers Arms

Thank you for a new start, the word, the spirit of Christ, what you've done for me at the cross. How I love to worship your name, King of kings, Lord of lords.

The fire I have in my belly and* falling in love with you, thank you. I'm trusting you have started a good work in me, that you will see it to the end and I will see you face to face.

I have a purpose to live a life of praise and worship to King Jesus. In you O Lord I have taken refuge. Let me never be put to shame. Come to me quickly in my times of need, the God of love and truth rescues me.

The people of the streets have forgotten me*, as though I were dead, but in you I live and I am strong. I cried* out to you for mercy, when I called to you for help, you came and pulled me out. So today and everyday I will follow you.

How you have turned my life around and put me down on a rock. I know the truth and the truth has set me free. God rejoices and delights in me seeing, me* his son, come into the light of freedom.

My eyes are open and I can see the love of the king riding on a white horse. I know that **FIRE-WORKS** and I cannot wait to see the work you* have for me.

Thank you for the roof over my head, the food you give me to eat, the water I drink and the bed I sleep in. I bow down to you. Thank you for forgiving* my sin, now* I have a future with you. I will never give up and never look back. I have freedom in the Spirit of Christ.

I am a mighty warrior of God, a flag carrier.

One day at a time.

Thank you for **freedom**.

It's all go!

Your son
